Edgar A Poe : Level 3: The Fall of the House of Usher and Other Stories (Pearson English Graded Readers)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Level 3: The Fall of the House of Usher and Other Stories (Pearson English Graded Readers):

2 of 2 people found the following review helpful. Finally!!!By EKMThis is the correct book I was looking for my English class! All the other editions (that had this picture for the book image) were all wrong and the latest edition. I'm so happy I was finally able to find this book! The book is old, but it is in perfect condition. I had to wait awhile to get it, but it was worth the wait!!! It was delivered on the first date that was estimated. Very happy with my purchase2 of 2 people found the following review helpful. In your dreamsBy K. A. KriskoThe classic collection of Poe - i read The Fall of the House of Usher years ago, as a teenager, just before bed. Big mistake. These stories encompass not only the original modern horror genre, but also the dawn of modern mystery writing.0 of 0 people found the following review helpful. Five StarsBy G. RamosIt is a classic requested by the school.

Classic / American EnglishThere are five stories in this book. 'The Fall of the House of Usher'; and 'The Barrel of Amontillado'; are stories of madness; 'The Maelstrom'; describes fear of death during a storm on the ocean; and in 'The Murders of the Rue Morgue'; and 'The Stolen Letter'; meet C. Auguste Dupin, Poer's famous Parisian detective.

"Poe's work as a whole is a series of haunting improvisations on themes from the macabre that are hard to categorise, dazzlingly original and posthumously influential on an extraordinary range of writers from Baudelaire and RL Stevenson to Yeats, Wilde and Borges." — Observer "His work continues to enthral. His greatest tales (The Fall of the House of Usher, The Tell-Tale Heart, The Pit and the Pendulum) radiate a dark humour and mockery that strike an oddly modern note." — Sunday Times "His reputation as a master of the grotesque and macabre has veiled the real cause of his fame: an astonishing mastery of language and literary technique which made Arthur Ransome, himself no mean story technician and a considerable literary critic, liken his stories to rare coloured goblets or fantastic metalwork." — Independent About the Author Edgar Allen Poe, American writer and poet, achieved literary fame with his Gothic tales of mystery. From AudioFile A fine collection of Poe's stories are selected here. Andrew Sachs does an excellent job of presenting each. He maintains the fine air of detachment at the beginning of each tale. Then, as each tale unfolds, he draws us in as Poe intended, making the full effect unsettling and in several cases chilling.

Sachs speaks clearly and chooses few characterizations in the stories. There are numerous more dramatized readings of Poe's stories, but Sachs's straight-forward, intelligent presentation is an excellent choice for listeners who want unadorned narrative. R.F.W. (c)AudioFile, Portland, Maine
